

# 2014 CHABLIS 1ER CRU CÔTE DE LÉCHET

*"The 2014 Chablis 1er Cru Cote de Lechet has real stoniness and terroir expression on the nose, a little lean but very focused. The palate is well balanced and does not quite deliver the terrior expression of the aromatics, but it is nicely balanced with hints of ginger and citrus lemon on the finish that fans out gently. This may improve with another 12-24 months in bottle."*
