

Ca' Momi

HEARTCRAFTED IN THE NAPA VALLEY

Located north of San Francisco, Napa Valley is home to Ca' Momi's portfolio of wines.

Ca' Momi has two estate vineyards in the Los Carneros subappellation of Napa Valley. The Crescendo valley-floor vineyard, first planted in 1973, contains 10 ½ acres of old-vine Pinot Noir. The Cercando hillside vineyard about a mile north has nine acres planted to Chardonnay, Merlot and Pinot Noir. Both vineyards are 100% organically farmed.

Ca' Momi's Wild Horse Valley varietals include Chardonnay, Pinot Noir, and Merlot. This small, eastside appellation sits at a 1,400-foot elevation and is influenced by the San Pablo Bay's cooling maritime winds, similar to the Los Carneros climate.
