TASTING NOTES

Dark cherry in color, the flavors of cassis and blueberry gain intensity in the mouth. Tannins are fine coupled with a bright acidity to form a solid length and savory finish.

VINEYARDS

The grapes used for this wine come from vineyards of Monastrell, indigenous grape from the province of Murcia in the southeast of Spain, planted on rocky, limestone soils between 700 and 800 meters above sea level. The grapes were hand-harvested and then fermented in temperature controlled stainless steel tanks below 80°F over 10 days.
