TASTING NOTES

A color of dark, cherry red with an intense and bright nose of ripe black fruits, plums and tinge of cedar. The wine shows solid structure and balance, with smooth mouth-feel, and ends with a repeating, savory finish.

VINEYARDS

Prieto Picudo grapes are autochthonous from the province of Leon. The creeping grapevines are planted in the traditional "vaso" system or head-pruned bunches and grapes are small with a very high potential for aging.
