VINEYARDS

The Cariñena and Garnacha vines used for the production of this wine have an approximate age ranging from 35 to 50 years. The vineyards of Garnacha are in the area of Cornudella de Montsant, around 2,000 ft in altitude, and on slate soils. The Cariñena vineyards are located in the Darmós and Masroig area and are on clay soils. The Syrah vineyards are located on limestone soils.

GUÍAPEÑÍN

vinous

"Lurid magenta color. A hugely perfumed bouquet evokes spice-accented red/blue fruit, incense and floral pastille scents, along with hints of vanilla and woodsmoke that build in the background. Alluringly sweet and penetrating on the palate, which offers juicy boysenberry, Chambord, cola and spicecake flavors that are supported by a core of smoky minerality. Finishes extremely long, with impressive fruit intensity, a sexy floral nuance and sharp delineation."
