TYPE OF WINE

Aged Red

VARIETAL

100% Tempranillo

AGING

15M | French oak

pH

3.69

ALCOHOL

15.5%

TASTING NOTES

Deep purple color with glass staining tears. Intense, concentrated aromas of blackberry and plum with some enticing notes of spice, leather and cedar on the finish. Rich and lavishly juicy up front, silken in texture with a good balance, packed with black fruit jam and framed by ripe and well-integrated tannins, finishing with superb length and persistence.

VINEYARDS

The Tempranillo grapes for this wine are from very old vines of up to 100 years, trained in the traditional “vaso” system, and which produce very low yields. The vineyards are in the areas of El Pego and Villanueva de Campeán, within the province of Zamora, in the regions of Toro and Tierra del Vino respectively, and are planted on top layer of gravel over very sandy soils.
