TASTING NOTES

Bright, crisp with aromas of pears and spices combine with citrus and herbs for a delightfully refreshing, well balanced smooth and fruity wine.

VINEYARDS

The Gil Family has been farming the land using respectful practices for over a century to sustain healthy soils in their very low production vineyards.

Everything is hand harvested to bring the highest quality grape bunches to their off the grid winery. These practices allow us to craft the very finest white blend of local grape varietals. The results are a naturally made fruity yet dry white wine similar in profile to a Sauvignon Blanc.
